

## **IMPORTANT ANNOUNCEMENT**

We inform that Portonave has intensified the preventive measures due to the expansion of the Coronavirus outbreak all over the country. We are taking actions beyond the demands of the Health Authority once we understand that is necessary to mitigate the virus' infection.

We would like to reinforce that the operations of the Port Terminal and Cold Warehouse remain without interruptions. The reception and delivery of containers, vessel operations (loadings and discharges) are running on a regular basis. Customer services remain on business time, from 8 AM to 6 PM, Mondays to Fridays.

Portonave is a private Port Terminal and remains committed in offering services with efficiency, safety and productivity.

We reinforce that the port activity is an essential service, and even more in time of crisis that affects the market supply.

Our teams remain available in case of any doubts.

Best Regards,  
Portonave S/A - Terminais Portuários de Navegantes
